I am looking for a female summer subletter for my room in a house on Hillsborough St. Available from June 1st until the first week in August. Dates are flexible and the rent is negotiable. There are 4 other bedrooms available as well. One other female undergraduate currently lives there. The house is near the intersection with North St. - 2 blocks from Franklin Street and 3 blocks to campus. There is a nice yard and back porch perfect for hanging out in the summer. Parking is included. I'll be glad to send you more information!
