Another great spot in Southwest Durham! Affordable 4 bedroom properties with great location are hard to come by, but 3114 Delchester offers just that. You're just off 55, so you get to enjoy the convenience, without dealing with the traffic on your own road. Other access points are 147, 40, and MLK making you 10 minutes from just about everything Durham has to offer.

The interior of the house is deceptively large, with a lot of room in both the living room, dining room, and a breakfast nook. Each room comes with lots of closet space, and the master bathroom offers both shower and garden tub. If it's space you're looking for, you can find it here.

Pets negotiable. Property is "as-is" with bedroom options to paint.
