

Taking bids for shower surround install

Location **North Carolina**
<https://www.genclassifieds.com/x-377163-z>

Standard three piece molded shower surround to be installed around tub/shower. Currently has tile that needs to be removed. [I can do that.] Drywall probably needs patching from water damage. All three walls are interior. I will buy all materials. Please estimate your labor fee. Please answer the following:

1. estimate of labor fee
2. references with phone numbers
3. days available to do the work
4. estimate of how long it will take

Many!
