I'm looking to match wits with, Someone with plans, yet still gonna get your ass kicked
I'm searching for that man, I need one to be the Joker to my Batman
Tell me are you clever and cool? Do you want to force the world up under your rule?
Are you at least 5'8? It's rather specific but this I can't break. About me, I'm humanity's savior
Vanilla ice cream is my favorite flavor, And I work a 9 to 5. So I'd like to fight crime from like 6-9
Are you evil? Tell me, how's your laugh? I'm seeking someone with a troubled past
"Destroy the world" is all you desire And it's pic for pic, no face then no reply

Dear Craigslist, seeking mortal foe. Have a Secret identity that nobody can know
Secret supervillain with a fire within, I'm now hiring, inquire within.

Hey there, I saw your ad is that position filled yet?
If not, please consider me and my specific skill set
Eager, self-starter, diabolical, scary mad
I'm the type of man you're looking for - Very Bad

Verbose, sociopathic, yeah I'm a sexy brute
Ist und... Ist über... Ist über... Ist über...
You should see my island... I'm a ho...
Collection of... capes... I'm a trop...
Tell me... with a... solo s...
You've got a sidekick? Cool I've got a crowbar
And a master in murder with a minor in killing
My favorite sound's a tie between exploding buildings and crying children
Weaknesses: Hmm... I guess it's hard to hand combat
But my benchmen will handle that end of the contract
I look forward to this, hit me up if we're a match

Dear Mr.Anderson, thank you for your interest
I was ecstatic when I read about your henchmen
You've got plenty of fight alone, I trust
Referenced a funeral home, that was a nice touch
Honestly sir, I'd love to meet
Maybe we can get together for a bite to eat
I know a wonderful place, it would be my treat
And we can finish out the night with a little bit of
