

2 black cats (Mentor, OH)

Location **Ohio**
<https://www.genclassifieds.com/x-377223-z>

2 black cats. Both males. They're brothers and best friends 5 years old. Declawed and fixed. We have a new baby in the house that is very allergic to them. They're free. Just want them to go to a good home. They're very lovable and social. Very good with kids. Call or txt
