Location **North Dakota**
<https://www.genclassifieds.com/x-377229-z>

Available May 18th or earlier, possibly that weekend.

Apartment is leased thru Roggensack Apartments and would require you to sign for the duration of the lease which ends July 31st, 2015.

I loved living here as a student but I'm going to be taking an internship out of state.

Most info is listed in the picture in the description. I would have taken more pictures but the place is hardly presentable right now. I would be willing to show it if we can arrange a time. Just text or call!

INCLUDES A DETACHED GARAGE in the perfect spot.

Would be a great spot for 2 friends to share. I lived there with a friend for 3 months while he was in town and it worked just fine since we were already close.
