I am an SDSU student with an internship lined up in Fargo this summer and I need a place to stay! The internship goes from June 1st until late August(approximately Aug 21st). The internship is a full time position that involves a lot of travel, so I don't expect that I would actually be around much.

I'm a very laid back person and very respectful of others' things and boundaries. I'm fine with pets (as long as they're fine with me), but I don't have any to bring along. I'm fine with roommates, as long as I have a door on my room when our interests don't line up for the evening. I'm open to subleasing, renting a room, or renting a house/apartment as long as it's not a ridiculous amount of rent(try to keep it under \$600 unless there's a hot tub and continental breakfast).

Let me know what you have and please include some!
