

Looking for summer housing(June

Location **North Dakota**

I will graduate high school in May, and I would like to move out of my parents' house. I'm looking for a place to stay throughout the summer because I will be traveling outside of the country in September (hopefully). I'm an 18 yr old female. I would prefer to have female roommates, but it isn't a requirement. Reasonable rent is ideal. Detroit Lakes area please!

I am a very clean person and I am employed at a bank in town.

Please email me if you want more.
