

Radiology Techs or Histotechs Breast Biopsy Tissue Workflow Study

Location **Pennsylvania**
<https://www.genclassifieds.com/x-377348-z>

We are inviting you to participate in the phone interview regarding the breast biopsy tissue workflow and how breast biopsy methods impact your current daily work.

This study is still in field and we are looking for some more Radiology Technicians and Histotechnologists for this study.

So If you know somebody who may qualify for this study, please share the following information.

They have to be from a different facility from where you currently work.

Â· Name

Â· Profession (Radiology tech or Histotechnologist)

Â· Email address

Â· Phone number1

Â· Phone number 2

	<p>A. Radiology Techs: \$250 for 45 minute telephone interview (with a computer access)</p>		<p>A.
