Seeking someone adopt 1 yr old female Puggle

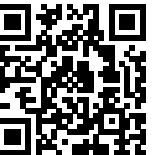

Bailey is spunky and active and needs a family that has the energy she needs. A family with another dog would be best. She needs room to run.

She is spayed and up to date on all shots.

Kennel trained and potty trained.

Comes with crate, toys and food. Ready for a family.

My total investment is more than \$1,200, but only asking \$500 for.
