Hey my name is Alysha! I hope you are having a good day or evening reading this.
I am in search of a room to rent, a room as well a private bathroom would be ideal, but I am not permanent on that so I am willing to share a bathroom :)
I'm hoping to find someone that is 420 friendly, easy to live with, they don't have to be my best friend but I would like to at least maybe have a dinner once a week or watch movie, I'm not picky, I just don't want to be complete strangers.
I work full time around the gateway area so something over there would be ideal. I'm also open to the southeast area, foster/Hawthorne kind of area. But I can't be to picky so please still email if you don't live in those areas I'm open to still looking :)
I'm looking to spend between 350-450 max per month.
Ok so about me, I'm 23 , but I'm definitely mature for my age, I stray away from drama and confrontation, I'm definitely a lover not a fighter, I'm a people person but not a overbearing one. I definitely love my space.
I'm just an all around nice person for the most part. I love to have and hangout but I'm not a party girl at all, I have few friends and they all have kids so we don't hangout as much.
Ok well I'll stop rambling now, i look forward to hearing from you, and if you have any questions feel free to:)
