Hello, and thank you for visiting..!

If you are here then you are curious, and if you curious, then you can make extra up to 4K/month. Find a property that is abandoned, empty, neglected in a good area, in Portland, OR. Talk to owner, who cannot sell it, and doesn't have sources to fix it up, but wants still to get out of the building fast. Make a few pictures, talk to neighbors, and try to figure out who is owner. 1099 commission based, and when I acquire - you make a grand. Let me know if you are interested, and I'll send an E-mail back to you, about other details. . . .

Thank you, and a good season to you. . . . !
