Seeking attractive female model (18+) to work on studio's portfolio, lighting and post-production retouching. Trade photos for your own portfolio is an option and up to you if you prefer to be anonymous, etc. Perhaps modeling is your passion, or just something you want to experiment with, or get some fun photos for your social networking. Experience is not required. Modeling includes fashion, glamour, artistic, portraiture and lifestyle. May include sports and fitness if your look is appropriate. Please send recent representative photos. Camera phone is fine.

Compensation is an hourly rate (cash) or trade photos. Tattoos and piercings are usually fine. All ethnicities, etc. are welcome. Successful candidates will be slender with attractive figure and bustline, fit waist, and attractive face and hair. Honesty, professionalism, reliability, follow-through, and timeliness are each a must. If you like, feel free to ask to meet first to view my portfolio, meet me, and for a studio tour prior to shooting and to bring a friend to the meeting.

Appropriate look and photos are a must for.
