Selling my plow. It's only couple seasons old and is a fisher minute mount 2 plow. It is the mm2 model with 3 plug. The pump has been serviced and cutting edge brand new. Also upgraded to the hi intensifier lights. Plow cost me over \$5000. Needs absolutely nothing. I do not need 2 plows next year and I prefer to keep the vplow since it is still not even paid for yet.

This is a perfect plow for smaller truck like Chevy 1500 or F150 etc
