I have two boxes of 1000 feet of telephone wire in each box. And i have three more boxes of telephone wire. But i'm not to sure how much wire is in the other tree boxes. Just the telephone wire alone goes for \$21.dollars a 100 feet. You can look it up for your self. And i have telephone wire ends. I just want to sell it all as a package deal for \$q130.dollars. And that is for everything that you see in all of the pictures below..
