I'm a beginning photographer located in Norman and I'm seeking female models to pose for me. I make no money at this, so I can't pay. But you will get all the photos on a CD to use as you wish. Just give me a couple of weeks to edit them.

I'm best at lingerie/boudoir, artistic nudes, fetish, and erotica; but I do basic portfolio/fully clothed pics as well. So if you're looking to build up your portfolio, I'd be willing to help just for the practice. I'm also looking to get into more thematic shoots as well. Just message me and I'll let you know what my ideas are. If you don't like them, we can just do a basic portfolio shoot. I like doing outdoor shoots too.

I shoot out of my apartment, which I know isn't very glamorous, but it's all I have for the time being. Like I said, I'm just starting out. It's small, but I'm pretty good at making small spaces work well. I'll send you numerous examples of my photography when you reply.

When you reply please let me know your age and whether you are comfortable with nudity or not, and it's perfectly fine if you aren't. You must also be able to provide a photo ID if there is any lingerie or nudity involved, and you must be able and willing to sign a release form.

This is a genuine ad and I have no other motive other than to take great photos. And you can bring someone with you if you'd like, as long as they are well behaved. Reply to this post if.
