I'm looking for a girl that would like to to some ballbusting. Nothing else. no sex or anything nude. I can be nude if you prefer. Full force kicks, knees, punches to my groin would be greatly appreciated. What do I have to do for you to do this for me? I'm young,white,tall, thin, very large bat and balls for your ballbusting experience. If you never done it before that is fine. I would like you to try it out on.
