56 yo singer/songwriter/rhythm guitarist. I can sing some and throw in the lead licks needed to play rhythm, but I only play rhythm guitar. I've played a few open mics, but nothing with more than say fifty people. I have a few 6 strings, a 12 string, a mandolin, and just bought a used acoustic bass, but again, I am just a rhythm guitarist, but really liking the mandolin (basics) and haven't really picked up the bass yet.

Looking to jam and maybe later record some or do an open mic or two, but mostly just jam. I'm laid back and like my life that way. My days off are Wednesday, Thursday and Friday.

My friends like my original stuff, but they ARE my friends aren't they?

I'm married with kids and grandkids. My wife and friends love small get togethers with acoustic music and sometimes beer. No drugs.
