I have several child care openings available for a child age 2 or older on June 8th and at the end of August. I am a 5 STAR in home daycare located on Flynn Avenue. I possess a Vt. Educator's License and I partner with school districts to offer publicly funded Pre-k education. Parents can receive tuition credit for 10 hours of Pre-k education during the academic school year, if eligible, for their preschooler. Program is play based with some teacher directed activities. I have a large fenced in yard and the indoor environment is set up for the children's learning. I would be willing to take a child slightly younger than 2 years. If interested, please email, text, or call Donna at
