

A10010Computer Repair 45 or Less Mostly 25 (359758 USD)

No diagnostic fee and no need to deal with downtown/short pump traffic! These prices outline my normal repairs but are not limited to the work I am available to do. I have rebuilt a few hundred laptops for resale, have my BS in Forensics and a SUNY degree from Syracuse, and repaired laptops and computers for 6 years while attending Syracuse/VCU until 2010. I have been doing so since then.

Thanks
