I need a person who can do a bit of everything with skill and in a timely manner. You need to be able to paint, tape and texture. Hang drywall. Trim out doors and windows. Hang drywall, frame and more. Lite plumbing and electrical is a bonus. Please do not waste my time. I require you to have some of your own tools, drivers license and vehicle. Legal to work in USA. I have 3 jobs rt now! 2 flips and a remodel. I need to trust that you can run a job while working others sites or bidding jobs. I pay my guys before I pay myself. So, if this is you, get back with a little about yourself. And I'm seeking a basic labor guy as well. Let's make my company blow up in 2015..
