Mother (a young 61) of 2 children ... ages 27 and 13. Older child on her own. Fourteen years experience. All background checks, non smoker/drinker. CPR certified. Open 7:00 am and Close 5:30 pm ..... Monday thru Friday. Charge extra for time after 5:45. Meals/snacks included for toddlers. You would provide formula and baby food for an infant.

I have excellent references. My children love me and I truly love them. Their parents will attest to it. Fire alarms thru out the house. Lots of windows and light. Clean environment. Fresh paint and new flooring in most of my home, new bathroom. My 13 year old loves kids too and plays with them almost everyday after school. She was one of my childcare babies I ended up adopting when she was 2 years old. Her biological mother trusted me over her own relatives to and raise her properly with tons of love.

I currently have 3 full time. Ages 2, 3 and 4 years old.

BACK UP SITTER ---- If your sitter is ill or taking a vacation and you need me as backup I might be able to help out. You might want to meet me now and see my set up so you will be prepared on short notice and feel secure that your child will be safe and well cared for in event of an emergency or you need a last minute sitter.

\*\*\* Full time fee: \$100 a week (using me for a back up sitter for one week I charge \$150 a week). \$25 a day for less than 5 days. I could possibly babysit a later shift depending on the hours.

DATE NIGHT - I can babysit an occassional Saturday or Sunday but not on a regular basis. I can possibly work on a holiday. Can also babysit on Friday or Saturday night at \$7 an hour in my home. Discount for sibling. Discount if child stays overnight.

LAST MINUTE - If I am home and you can bring the child to my house I can usually babysit with short notice unless I have already made plans for that time frame.

I live in a very clean modern home in Pennsylvania, crossing in to the border into Maryland. I have a medium sized playroom to play in. Weather permitting we go outside to a sprinkler in summer to play in. I have a pool.

I also have 2 small dogs under 13 pounds. One is 14 years old and sleeps all day. Dogs are not allowed in the playroom most of the time.

I prefer that you call me before 8 PM. I do not like to give out too much information over the internet. I would like to have your telephone number to be safe from prank calls.
