Wonderful, reliable, experienced sitter wanted 4 afternoons a week from 3 to 6pm -- Monday, Tuesday, Wednesday, and Thursday in Swarthmore, PA. Prior babysitting experience, excellent references, a car and clean driving record required. We have three healthy, wonderful kids who will need assistance with homework after school, and possibly help prepping dinner. Looking for a kind, happy, energetic individual who genuinely loves spending time with children. Ideally, we would love for this sitter to work with us over the summer as well -- we can provide more hours. \$10 to \$15 an hour depending on experience.

Thank!
