Professional Swing set / Playground Installation

All assemblers are employees of Professional Assemblers..

We have been helping our customers with assembly and installations since we founded the business in 1998. During that time, we have assembled Thousands of swing sets and outdoor play gyms for satisfied customers all over Colorado, Wyoming, and Texas.

Swing set Assembly Services

We install jobs of any size and schedule most assembly jobs within a week. Most swing sets can be assembled in just one day.

Home Delivery & Assembly

We can pick up your swing-set from your retail supplier--including Lowe's, Costco, Home Depot, Wal-Mart, Toys R' Us, Sam's Club and more--and assemble it at your home. If you have purchased a pre-owned swing set locally, we can go to the home of the seller, disassemble the swing set, move it to your home, and install it in your backyard.
