I am in search for a 2 Bedroom Apartment/Condo for around \$1000 a month in Chittenden County. South Burlington, Williston, Colchester etc would be preferred but it doesn't really matter. Utilities included would be awesome but not a deal breaker. If utilities were included I could do around \$1300 a month.

Please send me pictures of what you have - I would be looking to move in ASAP and could move in May 1st if needed.

About Me: I am a non smoker with no pets, there will be two cars, no washer dryer, I keep to myself and won't be a rowdy tenant, I have excellent landlord references and pay on time. I work full time and have a second job with plenty of extra hours so rent on time will never be an issue. Please email if you think you have something!
Thanks so
