SEATTLE TECH EXPERTS IS NOW COVERING SNOHOMISH AND KING COUNTY!

Are you tired of the ridiculous pricing and incompetent technicians from Geek Squad? Our technicians have an average of 10 years experience in their field, and our rates are reasonable for any budget.

If you are a Windows, Mac or Linux user and are having issues with your laptop, desktop, tablet or smart phone, we have someone in your area that can help.

What sets us apart from our competition is not only our lower rates, but the quality of service we provide.

We have specialists in every area of computing. If your computer just needs a tune-up or upgrade, we can help. If you need files recovered from a formatted or deleted hard drive, we can do that too. We also do everything in between.

To find out more about our services, follow the link below:
