

# FREE DENTAL CLEANING (Northgate)

Location **Washington**

I'm a dental hygiene student at PIMA in Seattle looking for patients! Even if it's been a few months or a few years, don't worry! All ages are welcome! Please don't feel ashamed or concerned if you have a lot of cavities, or you are worried about how long it has been since you've seen a dentist. I am here to help! Our clinic has state of the art equipment, digital xrays, and amazing dentists to oversee everything. All my work will be thoroughly checked by our licensed dental hygiene instructors (all of them have years of experience in the field and teaching). Since this is a school it will take longer than at a private practice, but the care you receive is impeccable. Most patients need 3-4 visits to complete their exam, xrays, and cleanings.

I'm deeply interested in helping people achieve better oral health, and since I am a student I have requirements I need to meet in order to graduate. This means if you are interested and schedule an appointment, I need you to show up to your appointments! That being said, as a further motivator I am willing to PAY for the exam, xrays, and cleanings (yes, even deep cleanings). If this sounds like something you are interested in, or someone you know might be interested then please contact me asap! Appointment times are Mondays and Wednesdays from 7:30am - 10:45am.

Additionally, if you schedule appointments and complete your treatment, you will receive a thank you of 2 free movie tickets!! My first available appointment is this Monday April.
