Wee the People Preschool is where your 3, 4 or 5 year old child can prepare for K5 in the public school system. The program is designed to help each child master the skills needed to be ready for success! My program includes fun games, songs and activities, along with actual classroom time, that together make the learning process a great adventure where your child will be eager to participate and contribute.

Please check out my website: <http://sites.google.com/site/weethepeoplepreschool/>

On the HOME PAGE of the Wee the People website you will find my email and you can contact me there.
