Welcome to sought after Tim's Ford Lake! This lovely lake house sits on year round deep water and features a completely updated Leatherwood home with high-end finishes, yet a comfortable feel. This home is nestled in the woods with a beautiful lake view. It has a well-functioning dock with boat lift and jetski platform. New kitchen completed in 2009. The new lower addition has antique reclaimed George Dickel oak hardwood floors, a beautiful wood-burning fireplace made out of hand-chiseled limestone (reclaimed from a old house in Tennessee) and wooden walls. There are 3 bedrooms with baths attached, and 2 additional sleeping areas, plus a half bath off the kitchen. Sip coffee in the mornings on the cedar porch with gorgeous lake and wooded view or enjoy meals with a crowd on another porch directly off of the kitchen. There is extra storage under the house for any lake items you might want to keep locked up. 2,000 square feet, not including porches or basement.
