I've recently accepted to University of California in San Diego for Master's, and I am seeking for tenant(s) to replace my girlfriend and I by June 1st, 2015. We are moving to San Diego from Salt Lake City on the end of May, and our lease agreement will be expired on January 2016. It's an ideal neighborhood who are seeking for a low-cost living arrangement, accessibility to gym, pool, sports activities, and so forth. It's a friendly place to live in, and is very close to the shopping centers/UTrax station. Only 10 minutes drive to downtown, and couple more to University of Utah! Please call me, and leave the message. Thanks!

The rent with the utilities costs will be around \$700 monthly, oh, and with a parking lot!
