Great soda dispenser!!!! Less than 20 gallons of syrup have gone through this machine. Purchased 2014 have purchase order. We went to high end bottled soda so it is no longer necessary.

Comes complete with 4 Line Shurflo gun, compressor and small bottle. Fits nicely into small area... great for outside patio expansion or for a smaller caf  .

DON'T BUY NEW FOR YOUR RESTAURANT OR EXPANSION LIKE WE DID... We paid 3K NEW....this is a great deal. We will deliver to SLC area if necessary.
