

Pattern couch with wood accents (60 USD)

Location

Utah

<https://www.genclassifieds.com/x-378239-z>

This is a nice fabric couch with wooden accents on the arms and back. Sort of a floral pattern, but subtle, not gaudy. Couch is in good condition - no rips or stains, and decent cushions with plenty of life left. Could probably use a general cleaning, but usable as-is. No smoking home, but has had dogs and cats present.

Text preferred, call or email okay. Downsizing for a move - check out our other!
