Hard sided rolling carrying case with hidden handle, that folds away, deluxe, hard shell case for sewing machines, camcorders, digital equipment, cameras. Has keyed latches, measures,

20 1/2" x 8 1/2" x 12"inside.... 10 3/4" X 21 3/4" X 13 1/4"outside. Has removable foam inside. These can run as much as \$99.00 this quality. I have used mine for a sewing machine carrier. I love the foldaway handle. We used several of these for salesman "demo" cases.

also great for hobbyist holding model trains, guns, ammo and quite a few have been sold for scrap-booking and quilting. call

BRAND NEW IN BOX, HAS KEYS TO LOCK and keep those little fingers
