Can you answer "yes" to any of the below questions?

- 1) Are you receiving mail from the IRS or state indicating you owe \$\$ for taxes?
- 2) Have you received a State or IRS levy on your bank account?
- 3) Have your customers been contacted by taxing authorities in regard to the money they owe you?
- 4) Are your wages or Social Security benefits being garnished?
- 5) Is a State or IRS tax lien damaging your credit or impairing your ability to buy/sell a home?
- 6) Do you owe more in taxes than you can afford to pay?

I represent both businesses and individuals in front of the IRS and State taxing authorities in all 50-states. I specialize in minimizing the amount taxpayers have to pay to get out from underneath tax liabilities once and for all.

Even if you have already paid off your tax liability, you may qualify for a refund of all the penalties you paid. This means you would get a check from the US Treasury!

It is time to turn the tables. Call or email me today for a free consultation. Let's see if there is a way for you to come out ahead in regard to your current or past taxes owed.
