

Custom Mfg. Wanted (United States)

Location **South Dakota**
<https://www.genclassifieds.com/x-378258-z>

We produce products for new development, prototype and production requirements. We specialize in working on low volume products.

Our Company: is a manufacturer specializing in custom fabrication and custom designed products. We have been manufacturing products since 1995.

Core competencies include machining, turning, mechanical & light electrical assembly, soldering, sheet metal, and product based manufacturing. Customized design and consultation are available from our staff. Our engineering department is equipped to provide research, design, and fabrication of products that may be discontinued, obsolete, in need of re-engineering, or simply need modifications.
