

GenClassification Black Chinese Lacquer Painted Antique Desk (100301 USD)

同説・を同

Location Virginia https://www.genclassifieds.com/x-378273-z

Magnificent antique Chinese black lacquer desk with gold and red painting all over the 7 drawers. An elegant piece with a gold roping from the front to the back of the desk. Paint in excellent condition. Original pulls on drawers and also on sides of the desk.

The top of the desk is leather and needs some restoration of the middle panel, however the rest is great. This is a steal, but I need to make room....
