Here at the Golden Goat we have a brand new never used MK Morse CSM7NXTB 7-Inch Metal Cutting Saw w/Laser Guide with brand new blade. This saw is a must have to make any job easier. Please note no case comes with this saw.

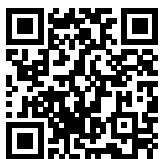

Product Description

The MK Morse 7-Inch Metal Cutting Circular Saw is the ideal instrument for all-metal cutting. With a low-speed, high-torque 11 Amp motor, this saw maximizes the durability, versatility, and quality of cut, providing a no-load speed up to 3,500 RPM. It features sure grip handles for steady cutting. The upper chamber collects virtually all chips while also minimizing and deadening sound. Guide arrows and a sight opening make it easier to position the saw. Formally part number CSM7MB. Includes overload switch, spindle lock, retracting blade guard, metal chip collection cover, length adjuster, side handle, 6mm hex key.
