

Seeking female model for photoshoot (Cheyenne)

Location **Wyoming**
<https://www.genclassifieds.com/x-378296-z>

Photographer seeks female model for a 1-2 hour photo shoot. If you're looking to expand your portfolio I can help. Edited images and pay available. Prefer models willing to do implied or more as part of the shoot but willing to work with experienced and inexperienced to create great images without it. Shoot location to be arranged. An outdoor shoot is optional. Please send a photo if you're interested.
Fun artistic shoot is the goal.
