## Indie Comedy Feature Film looking for Extras Casting Director (JUNE) (Tullahoma, Hi

Location **Tennessee** https://www.genclassifieds.com/x-378305-z

No experience needed. I just need someone reliable who can get up to 20 people (all ages) to the set on the needed days (usually less).

We'll only be needing extras for about 5 days of the shoot and I can pay you \$50 per day along with 1% profit split.

I can't pay the extras but most of the background roles will be featured which should make them easier to cast. And several will have a line or two.

There are a couple supporting roles needing to be cast as well, and I could bump your percentage up to 2% if you helped cast those as.
