Country Music Marathon Expo: We need help selling nutritionals, clothing, shoes, and accessories. You will be talking to customers, cashiering, setting up before show and breaking down at end of the show.

We are a sporting goods company looking for outgoing individuals. Please follow the below link to learn more about our company, the product we offer, and the purpose we exist for:

We are looking for people who are good at math and who have retail experience. The work requires greeting and waiting on our customers, taking money, restocking inventory, packing and unpacking boxes, handling of metal clothing racks, and lifting boxes for loading and unloading our van and trailer or truck.

Expo will take place at the Music City Center 201 5th Ave South, Nashville, TN 37203

The hours are as follows:

Wednesday April 22nd 10am -- 5pm

Thursday April 23rd 9am -- 7pm

Friday April 25th 9am -- 10pm

Dress for the event is casual: khaki shorts/pants or nice jeans with a polo style shirt will be fine. Athletic shoes are preferred but not required (they are probably more comfortable). Please wear khaki shorts/pants or nice jeans and a polo or dress shirt. Please bring your own lunch. You will be given a 30 minute unpaid break each day.

The pay would be \$10.00 per hour paid in cash at the end of the expo after the finish of the tear down. There will be some paperwork to fill out and sign as well. Please include your cell phone number for contact purposes. Also, please let us know what hours you are available to work. Resumes and additional information welcomed.

Thank you for your time and consideration.
