I've got a second gen Traynor YBA 200 for sale, its put in a solid 3 years of service but i'm ready to change it up. 200 watts of Canadian-made power, and enough tone control options to cover any situation. Its got a naturally bright and punchy tone, and plenty of volume. Loves to be pushed by a big muff. Excellent condition. 500 firm, or trade for an Ampeg V4.
