Do you love your Oru Kayak? Oru is partnering with Gorilly (www.gorilly.com), which connects people who own and love their Oru Kayaks (like you?) with people who are interested in seeing an Oru Kayak in person or hearing about your experience with your kayak before buying.

It's a good way to support Oru and help spread the word, and also make some money in the process (7.5% on any sales). It's easy, convenient, casual and flexible - once you sign up just wait for someone to ask about your experience with Oru then set up a time to meet for a few minutes to show them yourself.

If interested reply to this post or go to <http://gorilly.com/>, Sign Up, then List a.
