As much as this pains me to do I have to re home my puppy her name is elsa is 11 weeks old. She has been flea ticket and dewormed. She is partly house trained good with all people and dogs. She is soft cute funny and likes to cuddle. I really wish I could keep her but I have to move do to a family emergency. She comes with her toys left over food and collar and bowel and left over puppy pads. Need to re home her by next sat. Asking a \$150.00 re homing fee for my little female non spayed lab pup. :) If interested text or email me and I will send you pics. Thanks and god!
