I'm looking for daycare for my daughter. She is one and a half. Will be two on July 2nd. My mother babysits her but she is disabled so she really can't do it anymore. I also feel like she needs to be more socialized and get more education! I need some one in Smyrna or Murfreesboro. A smoke free environment also. I can't afford a lot either so if you're expensive sorry I can't. I need a happy safe friendly educational environment. Please!
