My name is Stephanie and I am a (soon to be) 25 year old female returning to the Milwaukee area on May 5th, 2015, and am seeking gigs, work, and other events that may help to continue and further my career in the modeling and entertainment industry. I will be relocating to the Milwaukee area from Los Angeles for the months of May, June, and July.

I am open to various concepts and ideas and have attached some photos from various shoots within the last few months. More images may also be viewed at my online profile: fetteroni.tumblr.com

For any and all questions and concerns, please contact me via email.

I look forward to hearing from and possibly working with!
