Whether your child is interested in starting music lessons, or they're currently taking lessons but need some motivation or they just can't get enough MUSIC, this class is for them!

Be Inspired Group Music Class is held once a month in Brookfield for children ages 7-11. No previous music education is required. Students will enjoy developing their rhythm skills, playing Music Trivia, studying music artists, and learning to use their imagination through creative listening exercises with art projects.

I've been teaching piano lessons and group classes for the past 14 years. My teaching style is based around music theory and creativity. My goal is to help students learn to use music as a tool to relieve stress, inspire and express themselves, and develop their creativity.

Our next class is Saturday, May 16th at 2:30pm. Email today for more information.

Private piano lessons and Summer Music Day Camps also available.
