Hello,

I am a stay at home mother to a four year old little boy with open availability. I am open 7 days a week at any time. The only thing I am asking is so be able to bring my son along. He is a very well mannered young toddler with a great personality. I am able to start as soon as needed. I have my own reliable transportation with insurance. I am able to pick up or drop off if need. I can prepare meals if needed. I am open to negotiate pay due to knowing how extremely ridiculous it can be to send a little one to daycare/ preschool. Open to no more than three at a time plus my son. I am able to care for any age and am able to help with homework if need be. I will provide references and resume upon request. If you would like to know anything further please feel free to contact me.

Thank you and I look forward to hearing from.
