

Apts and houses near UW and downtown (Laramie, WY)

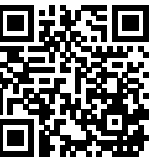

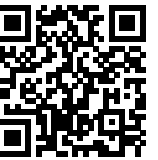

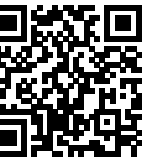

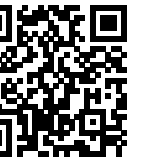

Location **Wyoming**
<https://www.genclassifieds.com/x-378477-z>

Several high quality apartments and house of varying sizes available near campus, including a few in the middle of downtown! Smoke-free and pet-free. Some wheelchair accessible. All are locally owned and managed by us, the owners; no third party managers or agents or out-of-town landlords.

Please read the entire Web page at <http://larapts.com> before calling, then call the number in the individual listing if you see a unit there which interests you. (If you are doing a search for someone else, please have that person read the Web page before calling; do not just give him or her the telephone number.) Please be prepared to tell us the exact address of the unit you'd like to see (including the street address and the apartment number). When you come to see the unit, please bring a completed application (available on the Web page) so that we can start to process it right away if you want to rent the unit.

Please note that all of the units we have available are listed on the page. Please do not call or e-mail to ask if we have anything else available other than what is on our Web page. We have no reason to hold anything back; everything we have available, or know we will have available, is listed there.

Also please note that, for legal reasons, we must talk directly to the person who will be leasing and occupying the unit. We can't accept inquiries on behalf of third parties (including a family member who will not be living in the unit inquiring on behalf of another family member). Due to large numbers of scamming attempts, we cannot accept applications or inquiries from outside the United States. Thank!
