Bella is in need of a forever home! I rescued her at about 6 weeks old... she was left on the side of the road so I took her in, nursed her back to health and put some meat on her bones! She's about 9 months old now. We had some unexpected health expenses come up with our other dog, which is going to make it very hard to afford to take care of both dogs :( Bella is house trained and I've also had her spayed! She gets along with kids and other dogs... she loves to play! Asking a rehoming fee of \$50 which includes food and all her stuff. Please let me know if you have any questions... i really want to ensure that Bella goes to a good loving home, she deserves it!
