

Need quilter to fix wall hanging (Wasilla)

Location Alaska https://www.genclassifieds.com/x-378667-z

I purchased a beautiful quilt at the state fair and used it on the back of my sofa. I made the mistake of washing it and the batting inside wasn't sewn so that it would stay in place. Now it's bunched in parts all over and won't lay flat.

I love the design and just want it to be fixed so that it can be washed/dryed and be used as a throw quilt.

Please
